This may be your first Prom, but it's not ours! We are here to help!

So....the girl traditionally would receive a wrist corsage from her date and guy would receive a pin on boutonniere from his date. But, times have changed. It is quite common for one person to purchase both at the same time to make sure everything matches.

When you choose your corsage each one is custom made so you need to place the order a few days before Prom and then pick it up on the day of or the day before.

Each corsage is made just for you, so you choose:

- Color of flowers (nature only has so many choices on this one)
- Type of flowers (Carnations, mini carnations, Roses and orchids are most popular)
- Color of bow
- Type of wristlet band (we have standard elastic, beaded, diamond etc.)

You can place your order online, over the phone or just pop in to the store.

To make things even easier we have special packages set up for you to choose from at the link posted below and some also include a special "Hollywood" charm added to the corsage.

After picking up your corsage you store it in your fridge, (not the freezer) and present to your date.
